Assembly Bill No. 896

CHAPTER 260

An act to amend and repeal Section 14105.18 of the Welfare and Institutions Code, relating to health care.

[Approved by Governor October 11, 2009. Filed with Secretary of State October 11, 2009.]

LEGISLATIVE COUNSEL'S DIGEST

AB 896, Galgiani. Health care programs: provider reimbursement rates. Existing law provides for the Medi-Cal program, which is administered by the State Department of Health Care Services, under which qualified low-income individuals receive health care benefits.

Existing law also requires the department to administer various health programs, including the California Children's Services Program, Genetically Handicapped Person's Program, Breast and Cervical Cancer Early Detection Program, State-Only Family Planning Program, and Family Planning, Access, Care, and Treatment (Family PACT) Waiver Program. Existing law requires provider rates of payment for services under these programs to be identical to the rates of payment for the same service performed by the same provider type pursuant to the Medi-Cal program, except, until January 1, 2010, with regard to hospital interim rates of payment, which existing law requires to be 90% of Medi-Cal hospital inpatient rates of payment, as provided.

This bill would provide that the provisions that would have been repealed on January 1, 2010, would instead be repealed on January 1, 2011.

The people of the State of California do enact as follows:

SECTION 1. Section 14105.18 of the Welfare and Institutions Code, as amended by Section 1 of Chapter 496 of the Statutes of 2008, is amended to read:

14105.18. (a) Notwithstanding any other provision of law, provider rates of payment for services rendered in all of the following programs shall be identical to the rates of payment for the same service performed by the same provider type pursuant to the Medi-Cal program, except that hospital inpatient rates of payment shall be 90 percent of the Medi-Cal hospital interim rates of payment, as developed by the department, and these hospital rates shall not be subject to any further reductions to Medi-Cal rates of payment enacted before or after the effective date of the act that amended this subdivision during the 2007–08 Regular Session.
